

Home Sweet Home

>> Read the description of this house. Take notes.

Hi! I am Jane and I'm from Wales .I live in a small semi-detached house in a village.

Upstairs, there are 3 bedrooms and two bathrooms.

Downstairs, there is one dining room and a living room.

Behind my home, there is a garage for the car.

The garden is in front of my home.

My bedroom is super! There is a wardrobe where I put my clothes.

I have a desk with a computer but there isn't any TV. There is

a bed which is full of magazines! On the walls, there are posters of my favourite stars !

My house is beautiful and spacious, so I love it ☺
