**Penpal message / wishes:**

Hi, my name is Rachel, and I am 16 years old. I live in England. I would like to have a pen pal from every single country in the world, as I want everyone to be my friend!! Well, I think I am a nice person, who loves making friends, and is interested in all cultures. I can write to people by email, or snail mail, but I would prefer snail mail, hence why I'm on the site "penpalsNow!" hehe....

I am very down to earth, and have an excellent sense of humour. I hate bullies, and I would like to stop it now!

I hope to hear from someone, any sex, age, or country, as long as you are genuine about being my pen friend!

All the best, Take Care

Rachel xxx

**Penpal message / wishes:**

Hey, my name is Hannah, I'm 17 years old and I live in the u.s. Some of my hobbies are music, both listening to it and playing it. I'm into mostly indie rock, but I listen to other forms of rock. I love theatre, I've been in tons of plays and musicals, and it's a huge passion of mine, I was recently in a few plays. Then, I've been snowboarding since I was 12 but I don't really get to do it often because there are no snowboard hills around where I live....

I want penpals from Europe because I do speak some French and would like to improve it...Also, it would be perfect if you were around my age 14-16.

Just e-mail me if you wanna talk.
