## Student 3 & 4

### Scene 10 - Succession

From Scene 10, every time Ray is on stage Student 3 and Student 4 will be with him. They are his guards. No specific costume is needed for the day of the performance, but if possible, Student 3 and Student 4 could wear something or have an accessory that makes them seem like guards.

A1 enters stage. He is clearly exhausted. He has travelled across the desert.

**A1 / Desert Man:** I'm finally here!!

A4/Ray enters. He is surrounded by 2 students - S3 and S4

**A1 / Desert Man:** I made it. I made it. He wants to hug Ray but the guards stop him.

S3: Who are you stranger?

**A1 / Desert Man:** I have just travelled across the desert!

S3: The man says he has just...

**A4 / Ray:** Yes ok. I'm right next to you, I heard.

**A1 / Desert Man:** Are you King Aigo?

**A4 / Ray:** What did you say?!

S3: You are forbidden from saying that name! You are talking to his Supreme Highness!

**A4 / Ray:** How long have you been walking for?

**A1 / Desert Man:** I don't really remember. Three moon cycles? Four maybe? You'll have to ask Wayne.

S3: Who... Who is Wayne?

Desert man pulls out a ball with a smiley face from his basket.

**A1 / Desert Man:** This is my partner. Say hello Wayne.

S3: Oh dear, I think the poor guy has lost his mind...

**A1 / Desert Man:** I'm thirsty ! Can I please have some water?

S3: The man asked...

**A4 / Ray:** Alright! I heard him! No, you will not be given any.

**A1 / Desert Man:** But, I said please!

S4: Hey! It's Your Supreme Highness! When you talk to the Pipe fitter, you must say your Supreme Highness, understood?

**A4 / Ray:** Guard... What is your name?

S4: My name is – student's name – your Supreme Highness.

**A4 / Ray:** So, student's name, can I ask you what's the point in telling that man to call me you Supreme Highness if you call me the Pipe Fitter?

S4: Oh yeah, I had not thought of that.

**A4 / Ray:** Yes, I saw that. I AM NOT THE PIPE FITTER, you hear me? I am the King. Number 32. I am Ray the King, Understood?!

S4: Yes Mr Ray.

**A4 / Ray:** YOUR SUPREME HIGHNESS!!!

S4: Yes! Your Supreme Highness!!

**A1 / Desert Man:** So, could I have some water?

S5: Your supreme highness. You honour us with your presence. Especially in this heat!

**A4 / Ray:** I wanted to see how my new Palace was coming along.

S5: Everything is going well your Supreme Highness

**A4 / Ray:** So why is it taking so long? You started moons ago!

S5: It's just the builders are really hot, your Highness.

**A4 / Ray:** We are all hot.

S5: The builders are thirsty, your Supreme Highness.

**A4 / Ray:** Well they need to drink then.

S5: ... well, yes, but there isn't enough water. And the water we do have is getting all dirty from the building work.

**A4 / Ray:** That's enough. I have things to do, be on your way if you don't want to have any problems.

S5: I don't know how it could get any worse.

S3 and S4 - Guards - get rid of S5. Ray continues his journey.
