

## Step 2 - WRITE - What do you think of studying English abroad?

### Read and write the linking words at the right place

#### ***That's why – nowadays – however – not only – but ...also – first of all***

....., it is very important to speak English fluently **as** this language is spoken all around the world.  
 ..... studying abroad can be an amazing experience to improve your English. ...., if you want this experience to be a success, it's necessary to be prepared. Here are some tips to be followed.  
 ....., it is a good idea to study English in a foreign country. .... you will discover a new culture, ..... you will ..... have the chance to speak English all day long! You will make English-speaking friends and you'll have a lot of fun!

#### ***Secondly – then – actually – moreover – such as – but***

....., it is important to find a good school. Your teacher might give you some advice. ...., don't forget that the school must be officially recognized.  
 ....., where would you go? Britain is very close to France ..... there are lots of English-speaking countries **such as** the USA, Canada or Australia. I know that Australia really sounds exotic!

#### ***Because – in order to – indeed – in my opinion***

How long should you stay? ....., I would say that the longer you stay, the better your English will get. Three weeks is the minimum ..... you need the first week to settle in, get used to meals and make friends. ...., you should avoid being in contact with other French people ..... speak English ONLY !

#### ***As –to conclude – as a result – finally***

....., it can be difficult for students who study abroad ..... they miss their families. .... they can find some comfort by living in a host family where they will feel like home.  
 ....., it could be an amazing experience for you to go abroad !

### Niveau B1 – LINKING WORDS – Utiliser des connecteurs logiques pour...

Organiser ton discours	Ajouter des idées	Opposer deux idées	Justifier Expliquer	Etablir un but	Etablir une conséquence
