

# The Mystery of the Crushed Chocolate eggs

It is nearly Easter. In the Easter Bunny Factory, the eggs were ready, beautiful, delicious, full of colours, for all the children. But now, they are all crushed, broken!

It is a chocolate catastrophe!

Who **can** break chocolate eggs when we are already in quarantine! It **must** be one of the rabbits! Nobody **can** go out. This rabbit **must** be crazy and mean!

As the Detective Chief Inspector you **must** find the culprit, the rabbit who crushed the eggs. Your officers made a list of all the rabbits in the factory, with their precise description.

- Look at this list.
- Solve the 5 mysteries and get the **5 clues** to know the name of this dangerous rabbit.

If you eliminate this crazy rabbit, the other ones will make new chocolate eggs before Easter.

If you don't eliminate the rabbit, Easter hunt is cancelled!

All the kid \_\_\_ are sad.

Number of 's' ----

Number of s ----

More 's' the culprit is a female

More s the culprit is a male

# Clue 2: What a mess!

Oh my god! Un lapin a mélangé les familles de mots. Réorganise-les dans les tableaux !

Weather

Vehicle

house

The family with the most words is \_\_\_\_\_,  
so the culprit's favourite food is \_\_\_\_\_.

# Clue 3: Stupid rabbit!

Un lapin pas malin a rédigé ce texte. Corrige ses affirmations.

Si elles sont vraies, mets un tick ✓

SI elles sont fausses, mets une croix. (a cross) ✗

Statement	✓ or ✗
My bed is in the kitchen.	
To take a plane you <b>must</b> have an ID.	
When there is a thunder storm there are lightning.
