

**ECOUTE LA PISTE AUDIO ET FAIS CETTE ACTIVITE.  
AIDE-TOI DU VOCABULAIRE DE LA PAGE 2**

**Exercise 1 - Listen and answer these questions.**

1. Who is talking ?     **A man whose name's James.**
2. Where is he ?       **In his house / at home.**
3. What is he talking about?     **He's taking us for a visit of his house.**
4. Is it in the past, present or future times ?     **Future times**

**Exercise 2 - Listen again to James and his presentation of the house of the future.**

**Take notes on the futuristic equipment of the house.**

A - At the front door ?

- no key
- no door handle
- just put your hand on the finger prints' reader
- just say the word "open" and the door will open if you're allowed to enter

B – What is the “Central Computer” for?

- a voice says "welcome home"
- if you need something, just ask the question and the computer will answer "it is done"
- it works with lights, appliances, the internet, etc

B - Inside the house : in the kitchen ?

- there are no cook books anymore
- everything appears on the countertops
- if you make a mistake, the kitchen will tell you
- smart fridge, telling you to buy or use etc
- a new life for the cooks !

C - In the living room ?

- there's a smart table --> play video games / look at picture albums / use the internet / watch TV / listen to music
- no need for tablets or computers anymore

D - The teenager's room ?

- there are voice activated screen walls
- the walls display everything
- if you want to look at something, move your hands and the device detects what you want to do
- the walls are totally interactive (TV, computers, clocks, ambiance)

**Exercise 3 – Listen and write the end of the sentences**

If you place your hand on the finger prints' reader, **the door will open /// the door opens** .....

If you ask a question, the central computer **will answer** .....

On the countertops, if you make a mistake, **the kitchen will tell you** .....

If you want to look at your pictures, you just have to **move your hands**.....and the device **detects what you want to do**.....

In this home of the future, every day life **will never be the same** .....
