

ONE DAY IN OUR SCHOOL

The Start

School begins at 8:30 am. The children line up in their class groups. They wait quietly for the teacher.

Registration

At 8:35 am, it's registration. The teacher reads each child's name in turn. The child replies « yes, Mr. (teacher's name) » and the teacher writes if the child is in school or absent.

Assembly

At 8:40 am the children go to assembly in the main hall. They sit on the floor and listen to announcements about the program of the day or the week. Then, they go to their classroom.

First and second period

The first lesson of the day is from 8:45am to 9:30am. Our subjects are usually English, Spanish, and French. The second period starts at 9:35am and finishes at 10:20am. We have Humanities: History, Geography and Religious Education (R.E).

Break Time

The children have their morning break from 10:20 to 10:40 am. Our children bring a snack from home to eat in the playgrounds. They play and speak with their friends.

Third and fourth period

The 3rd period starts at 10:45am and finishes at 11:40am. The students have Maths or Science. The 4th period is from 11:45am to 12:40pm. Pupils have Information Communication Technology (ICT).

Lunch Time

Lunch time is from 12:45 to 1:55 pm. Most children bring a packed lunch from home. A packed lunch usually consists of sandwiches, fruit, a drink and a packet of crisps. Some children have a meal in our canteen.

Fifth period

It starts at 2:00 pm and finishes at 3:10 pm. Children have Music or P.E (physical education).

End of school

Children go home at 3:10. They can stay after school until 5:00pm for clubs (drama, sports, cooking...) or help for their homework (private tutoring).
