

	Helping student	New student
Greetings (salutations/politesse)	<p>Hello, can I help you ? How are you today ? Don't worry = no stress Keep calm = relax Stay positive ! Are you new in this school ? lost ? Follow me ! You're welcome.</p>	<p>Yes I need help I'm fine but a little stressed I'm looking for the science lab! Thanks ! That's nice of you ! Thanks for your help !</p>
Identity	<p>What's your name ? How old are you ? Where do you come from ? What was your last school ? Where do you live ? have you got any brothers and sisters?</p>	<p>My name is.. I'm twelve/thirteen years old. I come from the North of France. My last school was in Paris. I live in Lille. I have 2 brothers.</p>
Emotions /opinion	<p>Do you like the new school ? How are you feeling ? Are you a new student? Do have any friends? Do you appreciate the English teacher? Are you feeling OK now ?</p>	<p>The school looks nice but it's big! I'm a bit stressed and nervous. I'm new in this school. I'm lost. I don't have any friends. I'm alone. I hope so. English is my favorite subject! Yes ! I'm reassured now. Thanks !</p>
Visiting the school	<p>It's here / over there It's on this floor. On the second floor Look ! This is the Math/Art/Science class ! The students are working ! The boy is talking. The girl is drawing. They are writing in their copybooks. The teacher is reading a text. The teacher is helping the student.</p>	<p>Where is the English classroom? Is it here ? It looks nice ! I don't really like Maths. Oh I see! What are they doing / is he doing ? Oh great ! They look serious ! The teacher looks nice / strict ! The classroom looks nice.</p>
