- I talk to them and **make sure** they're happy
- I was **shy** talking to **all of these** new students
- **As soon as** I got to talk to them, it got easy.
- I didn't know **anyone**
- **However**, once I got to **know them better**, they were actually pretty **friendly** to me.
- ...but some of them got very good friends.
- We treat them **exactly the same way** as our students. We see them weekly to **check on their progress**.
- Here you have to sit and listen to the teacher. In **my own country**, you have to speak more.
- What I enjoyed the most was **the atmosphere** of the classroom and the interaction between me and the teachers.
