JORDAN: "Sport-me-up!" good morning ! Jordan talking. How can I help you ?

DONNA: Hello Sir. I'm Donna Lewis. I would like to join a sports club to stay fit and healthy, but it's not easy to make a choice...Can you tell me more about your fitness club ?

JORDAN: Of course. I'm Jordan, the manager. Our club opens every day from 10 in the morning to 10 at night. It's located opposite the tennis club and near the stadium. Do you do any sports?

DONNA: Not in a club, I sometimes go running after work.
What's your club like ?

JORDAN: Well, it's quite big. We have different rooms, in which you can enjoy modern fitness equipment. You can get a full-body workout by using cardio equipment, strength machines, steps, and weights.

DONNA: That's perfect. Do you have any group exercise classes?

JORDAN: Yes, we do. You can train with a coach to get motivated ! How often do you want to come to the club?

DONNA: I'd like to train two evenings after work, and on Sundays. Is the atmosphere nice ?

JORDAN: It is ! If you like music, it is definitely part of the club !! It's very cool. We have some rules : members must wear a tracksuit or shorts, and a pair of trainers. You also have to disinfect your hands and clean the machines you have used. If you want to drink or have a snack, no problem.

DONNA: Sounds great ! And how much does it cost to subscribe ?

JORDAN: It costs 50£ per month and it's only 40£ for people under the age of 20.

DONNA: Alright ! I'm 19 years old so it's cheaper for me!

JORDAN: If you're interested, you can show up at the club for a visit.

DONNA: Thank you so much ! I'll think about it.

JORDAN: Ok ! Have a nice day !
