

Australia

Why you have to go to Australia

Water sport

If you like sports, surfing is the most popular water sport in Australia. Australia has the best surfing spots in the world. Like the famous **BONDI BEACH**.

Animals

Australia is famous for its wild animals. Here, you can cuddle a Koala. Koalas are the cutest and the dangerous animals in the world. There's a lot of animals like kangaroos and wombats and billed mammals.

But be careful ! Australia also have the most dangerous animals on the Earth like snakes, deadly spider or crocodile.

Australian Animals
