

Australia

Hi ! How are you, Fine ?

Your dream is to visit Australia ?

You are with the best person !

THERE'S NOTHING LIKE AUSTRALIA

- The capital is Canberra but the biggest city and the most famous is Sydney

Australia is the biggest island but the smallest continent.

In Australia there are many deserts, beaches...

But in the desserts
there are
dangerous animals
like

spiders, snakes, be
careful !

But if you are a fan of surf,
don't miss the the Great Barrier Reef,
there are the biggest waves for surf.

**And would you like to see
fishes and swim with dolphins ?**

**I recommend you to go in
the Great Barrier Reef !**

And in tropical beaches, you should go here because in Australia there are the best surfing spots in the world !

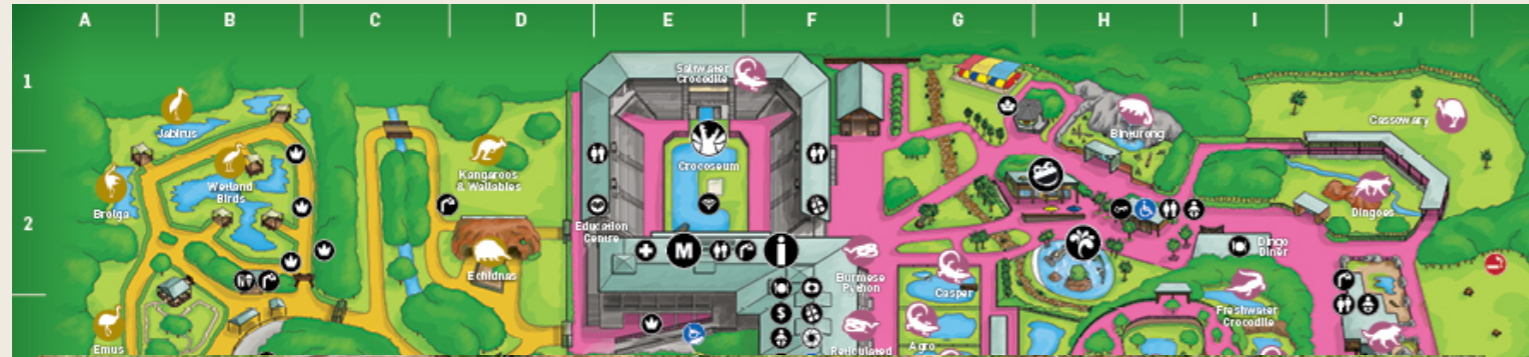

Beerwah zoo !

After that if you are looking for fun and interesting activities, Beerwah zoo is a very good place !

You can cuddle the cutest animals in the world : koalas, see kangaroos, tropicals animals... It's a beautiful animal park !

	**Some of our animals head off to bed at 4:30pm. Be sure to stop by to see them before that time.	
K		

Don't miss the famous Sydney
Opera house for listening
concerts, music very cool, no ?

And if you like sports like horse riding, cycling... there are competitions next to the Opera, Amazing !

The best travel is
Australia !
