AUSTRALIA PRESENTATION

- Australia is a huge country, the biggest island in the world. It's the sunniest country. The capital city is Canberra but the biggest city is Sydney. There is a huge desert. Like us, Australian speak English. Australia is famous for the koalas and the kangaroos.

**NOW, I PRESENT
YOU MY
FAVOURITES
PLACES:**

- First : the desert
- If you search adventure, why not go in the desert ? You should can hiking.
- We can see the sunrise or the sunset.
- If you like animals you can see a herds of camels and you can try to ride a camel.

THE DESERT

THEN, THE GREAT BARRIER REEF :

Are you fan of fond diving ? Why not go at the Great Barrier Reef ? There is a lot of colourful corals and tropical fishes. This is a wondrous place. This is the biggest coral barrier in the world and we think is the most beautiful.
