

Hello everyone !

During the holidays I went on a trip in Australia. The Australia is the biggest country, it's very beautiful and amazing. The people's speaks english. The sunrise and the sunset are wondrous. When I take the plane, I see the landscape, it is huge. There is many of things to do.

It's a huge island, where we can do amazing activities as :

- We can see Sydney Opera House. First of all It's a wondrous opera because he has a original form. Them He's at the water's edge. Finnaly there we can go to concert. If you are a fond of opera, don't miss the huge Qydny Opera House.
- we can see tropical beaches. First of all there, we can swim with the tropical fish. If you are fan of tropical fish, you can go to great Barrier Reef! The great Barrier Reef is the most fascinating attraction in australia.
- we can see kangaroos or koalas, we can go a safari or cuddle koala. Them we can see the cutest animals. If you are fan of animals cutest, you should go on safari and cuddle koalas.
