**4- Edna lost her words ! Help her ! (=écris le bon adjectif possessif)**

Hello Darling, I'm Edna Mode. my job is to create costumes for superheroes.

I made costumes for the Incredible family their costumes are great !

Mr Incredible has a nice costume. His costume can stop bullets ! Elastigirl can stretch her body, so her costume is very stretchable !

I love my job, it's fantastic. I bet you are jealous !

We have superpowers. Our secret identity must remain a secret ! That's why I also made costumes for Violet and for Dash. Their costumes are very special and adapted to their superpowers. Violet's costume can become invisible. Her costume is my favorite.

But I also like Dash's costume. His costume must resist his superpower : running very fast !
