

The best places in
Australia

by Théo Boumbas and Mohamed El
hassouni

Tropical beaches

First of all If you are interested in australia don't miss the tropical beaches where you can see the cutest kangourous And take pictures and swim in the water finally You can

go surfing and did a ride on a camel and see the Sunrise

**Then in the
tropical beaches
You can visit the
forest not far to the
beach
And you can eat to
the stand in the
beaches and go
diving / go swimming**

The billabong

If you are a fan of the wild life why not go to the billabong because you can see the animals , take a most beautiful pictures , enjoy and Have the biggest moments for Your holidays (have a fun) and see the sunset

-
- In the billabong you can meet the locale people and make a new friends

and plays with them but you can visit with your family for have a good day

The jungle (or the desert)

In the desert you can see a beautiful Place because you can take a pictures , if you are fond of you should go to the best desert of the world

**Then in the jungle you can
see the biggest animals on
the world and the cutest
And you pet the koalas
(If They wants)
Or take a safari**
