

# **My trip in Australia**

**By Paulo**

# Australia

- Hello today I will present you Australia !
- First, it's the biggest island in the world but it's also the smallest continent
- In Australia, we can do a lot of activities like ride a camel in the sunset or the sunrise, cuddle a koala, go surfing, go to the beach, diving or swim and finally, the best go on a safari

**The people in Australia are  
so cool and there the  
Australian people say mates  
not friends**

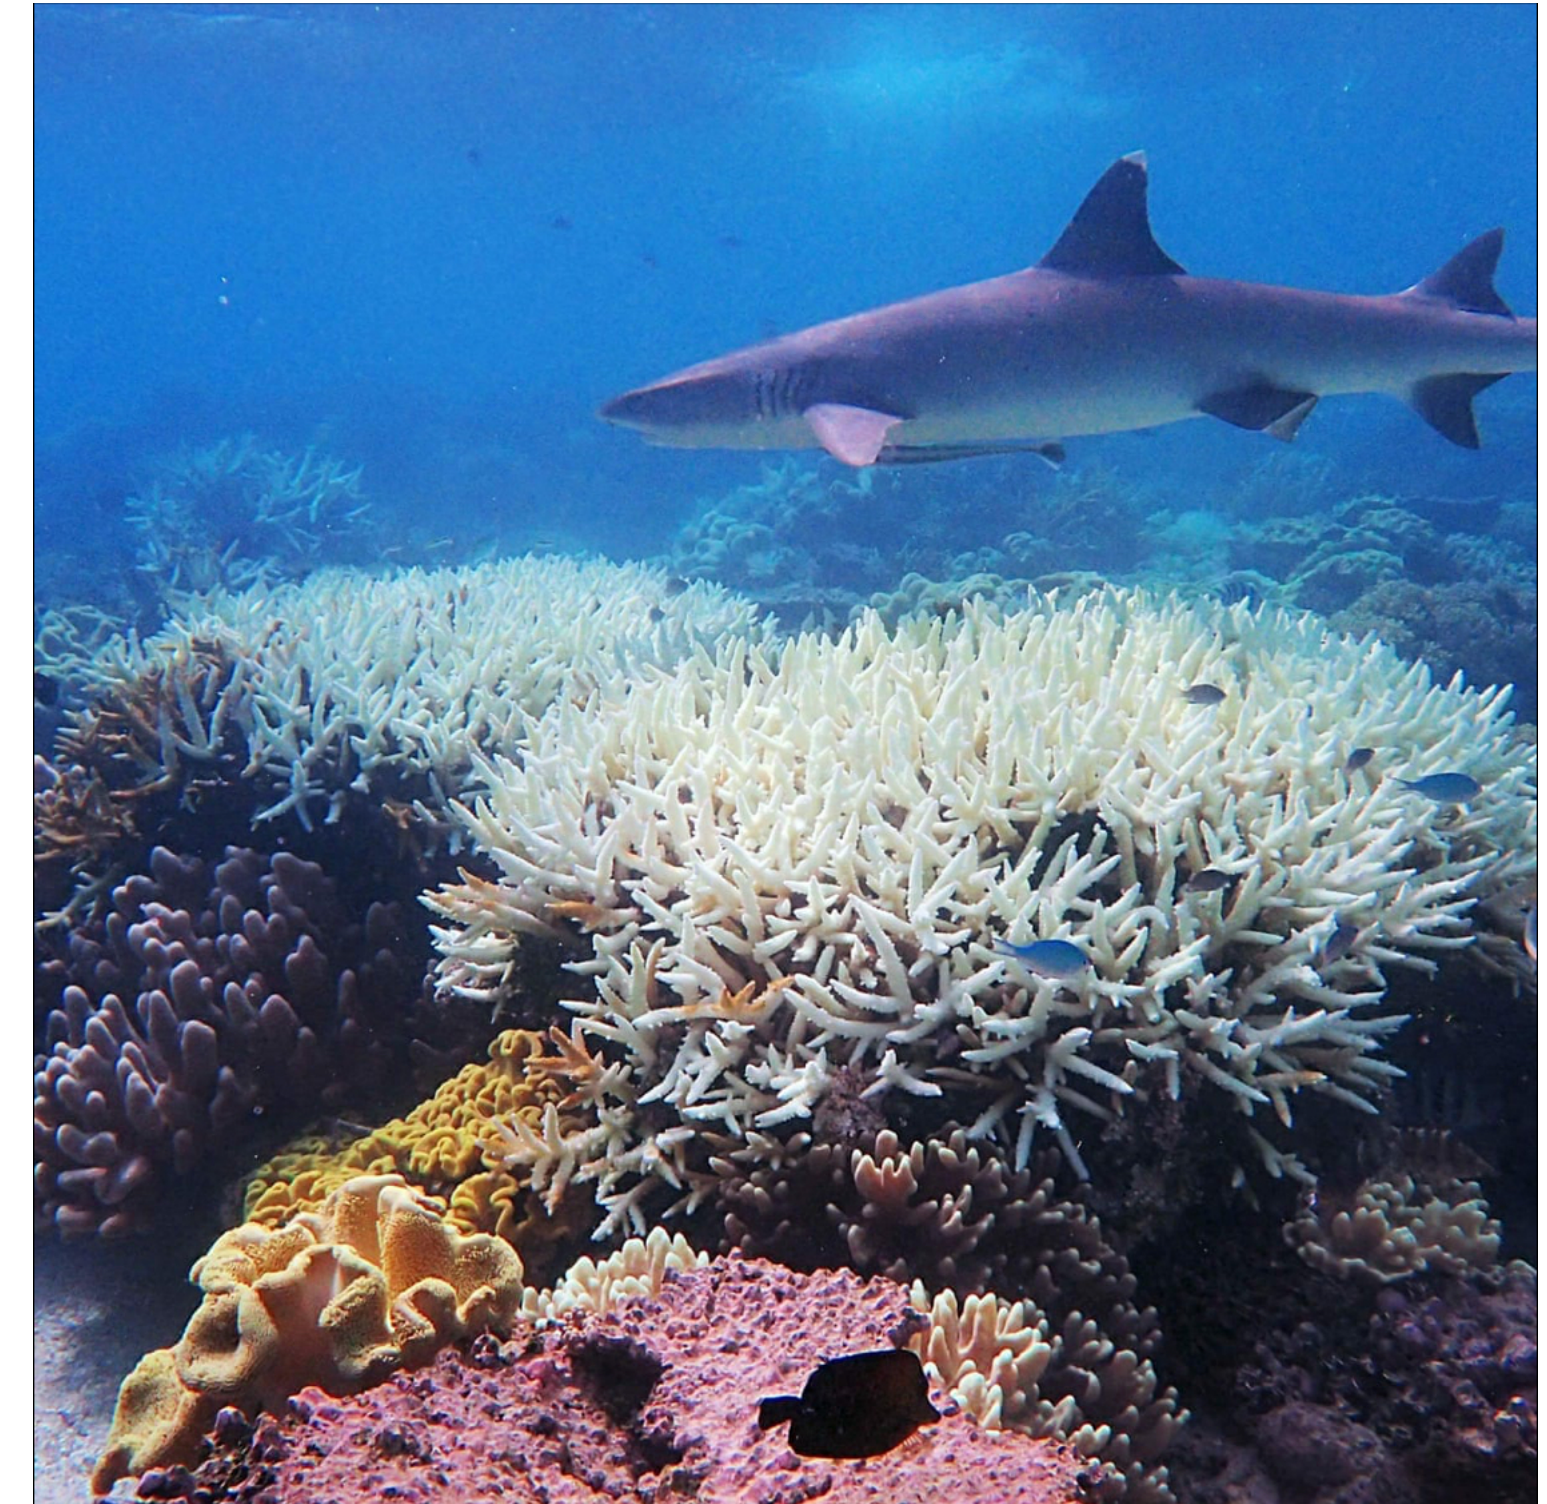

**3 popular places and what  
places I recommend**

# The Great Barrier Reef

- The Great Barrier Reef, it's amazing ! If you like fish, sharks and dolphins it's definitely your cup of tea !
- There you can do snorkeling, it's fantastic !
- It's a beautiful landscape !

# Tropical Beaches

- Tropical Beaches, it's a wonderful landscape, there you can swim and dive, you can do lot of activities on the beach like beach volley, play sports and sleep.

# Billabong

- A Billabong, it's so exciting because ther it's so funny and so fantastic !
- It's my favorite place.
- If I could return to Australia, I would go in a billabong everyday !!

# Aborigen Population

- If I could visit the past, I would not meet the Aborigen population because they tortured European people.
- The Aborigen lived in the desert
