Setting

This is a **movie clip** from the film "The Devil wears Prada".
The action takes place in New York City (USA) and more exactly in the **offices** of a **fashion** company called "Runway".
This **company seems to** be modern and famous.

Characters

In this scene, there are 3 **main characters**:
1) Miranda, the editor in chief (**manager**). She is about 50 years old. She is **well-dressed**, smart, **sophisticated**. She looks cold and **bossy**.

2) Emily, Miranda's first assistant. She looks well-dressed too, with a lot of **make-up** on. She is quite **dynamic** but **unfriendly** and very stressed.

3) Andrea, who is here to **apply for the job of** second assistant. **Not only does she** look natural and **ordinary**, **but** her profile does not **seem to match to** the job.

Topic

The movie clip **deals with** a job interview between Miranda and Andrea.
Andrea had **an appointment**, **that's why** she came to meet with the manager **in order to** get the job.
Miranda is asking her some questions to know more about :
-her identity
-her experience
-her **qualifications**
-her **skills** / competences
-her motivation and her personality

We don't know whether Andrea is going to **be hired** or not, but **it looks like** she will probably not join the company.
