

Read this description of John's bedroom

In my bedroom, there's a bed and a desk, there's a chair too. There's no TV but there's a computer on the desk. There are also posters of Tokio Hotel and Harry Potter on the wall above the lamp. There are a lot of things everywhere: my schoolbag is between the desk and the bed and my pens aren't in the bag but they are on the bed. There are books on the floor in front of the drawers and my radio is next to the books. My shoes are next to the bed and there's a ball under the chair. My rollerblades are behind the door and there are tools next to the rollerblades. What a mess! But don't worry, there aren't any spiders and there aren't any rats either but maybe there's a ghost in the wardrobe!

In my bedroom, I like to play video games. I do my homework too ! And you, what do you like to do ?

Is there a TV in your bedroom ?
Where is your desk ?
