Subject : My friend John / join your club

Dea Jordan,

My name is Ben. My friend John Westley doesn't speak English very well. He asked me to write you this email because he really wants to join your club.

He is a 12-year-old boy and he is in 8<sup>th</sup> grade. If possible, he would like to come to your club twice a week (on Mondays and Thursdays).

Here is what you need to know about him.

- First, he is very athletic because he plays tennis twice a week.
- Then, he is extremely nice because he always helps others.
- He's not shy at all because he has many friends.

Also, he likes listening to music and he loves watching TV.

He doesn't like cooking and he hates reading, he prefers outdoor activities !

He's a good guy. I am sure you will accept him!

So, can he just show up at your club for a visit so that you can meet him ?

Thanks for reading this email. I'm looking forward to your reply.

Best regards,

BEN
