

Dear students !

We are Brenda and Bill Drayton and we would like very much to be your NY host family.

We are a friendly family of 2 adults and a 15-year old boy. We have had 8 years experience in hosting students and guests from all over the world !

You will benefit from a warm, friendly, secure home with lots of interaction and conversation, or privacy if you prefer. You will feel encouraged to learn and grow in a quiet stable atmosphere.

Our large six bedroom individual home has lots of rooms for privacy, and a recreation room, with pool table, lounging area, a 64 wide-screen for movies, and video games, board games, arts and crafts and more ! We enjoy doing sports, travelling and art.

If you don't bring your computer, there is a desk top, and a lap top for your use.

There is a great back yard with table, chairs, garden, cook-out area, and pool for hot summer days. The home is equipped with hi-speed wi-fi to make research and internet use exceptionnally fast.

Our fee will be \$650 per month and you are welcome to use our separate kitchen for our guests If you prefer to cook your own meals.

The bedrooms are upstairs. You will have your own room here. It is equipped with twin beds, closet, desk, TV with complete movie, news, and sports package. You will find full towel and linen set. You have your own bathroom, like every bedroom here. Our washer and dryer are also available to you at no extra charge. No smoking inside the house. You must be home before 8 :30pm. No more noise after 9pm.

Our home is located in Queens NY. That's about 20 minutes away from Manhattan.

We find hosting student to be a very rich rewarding way for our family to meet, interact and stay in touch with students the world over ! You will definitely have a great time !

You are sure to build friendships and contacts that can last a life-time.

Please feel free to contact us with any questions or concerns, we will be pleased to hear from you !
