Physical description : ?

His abilities (qualities = look for _____ and nouns):

_____, _____, _____

His powers and capacities (actions = look for _____):

Enemy (person = look for a _____): _____

Spider-man
 is a very popular superhero. His superpowers are amazing because he has the abilities of a spider. He is fast, strong and he has perfect balance. He can cling to walls and jump from one building to the next because he can shoot strings from his wrists.
 He also has an instinct for danger, a "spider-sense". His most dangerous enemy is the Green Goblin.

verb : _____

Read Green Goblin's card to find details

→ Physical description :

- accessory : black « Goblin Glider »

→ His abilities:

_____, _____
 _____, _____

→ His powers and capacities :

→ Enemy : _____

Green Goblin
 is a very scary supervillain. He is green and he has long, pointed ears. He can run really fast and he is very strong.
 He has a black "Goblin-glider" and he can invent all sorts of high-tech weapons such as lasers, boomerangs and Pumpkin Bombs. He is extremely clever... but totally crazy!
 He is Spider-man's most dangerous enemy.

Understand vocabulary : Write the French for :

« Scary » : _____ (you know « scared »)

« Pointed » means _____ (look at the « pointed ears » on the picture)

« weapons » : _____ ('lasers, boomerangs, bombs' are all weapons and transparent words).
