• The little boy • by Naomi Yusuf en 4e2

A little boy went to a new school

The little boy tried to be cool

The little boy wanted to make friends

The little boy didn't want the fun to come to an end

The little boy went to class

But he went alone

The little boy wanted to leave and go home

The little boy was punched and shoved against a locker

They mocked him and the little boy knew that things will not get better

The little boy tried calling for help

STOP

The same little boy screamed he yelled • BULLYING •

That little boy was left with many bruises and covered in blood on the ground

Unfortunately, the little boy was never found

His mother was baking

His mom was left waiting for so long

She received the news

And now, his mother knows that that day

She lost her little boy
