Dear Emily,

How are you ? Christmas is coming! I'm so happy! It's my favorite time of the year !

In Lille (where I live), there is a big wheel and a Christmas market. The city is full of lights and decorations! It's beautiful ! What about your home town ? Is it decorated for Christmas?

Do you celebrate Christmas? Before Christmas, I decorate the Christmas tree and put up the lights! I celebrate Christmas Eve at my grandparents' house with my parents, my brother and my sister. My grandmother cooks a big turkey with potatoes and for dessert, a Christmas pudding. Yummy! Then, I wait for midnight, and I open my presents.

What presents would you like to have for Christmas? I am dreaming of a new bike (mine is broken). I also want to have video games. I love playing video games!! Then, I would like to have roller skates because my best friend likes skating and I want to skate with him.

In France, we have a two-week holiday. Back to school day is on 4th January. I enjoy being on holiday ! It's so cool !

I hope you're fine. I wish you a MERRY CHRISTMAS and a HAPPY NEW YEAR!!

Write soon,  
Take care,

Ben.
