Hello everyone,

I am lucky enough to enjoy a one-month trip up the East Coast of Australia. I have already visited many cities and I am having the best time of my life. The trip is so amazing! (...)

- First stop was Spot X for a week of surfing! So far, it was my favourite part of the trip. I love surfing! I wasn't particularly good at it and it was a bit scary at first, but I stood up a few times, even without help from the instructor. I had such a fun time! Unfortunately, I haven't tried paddle-boarding yet.

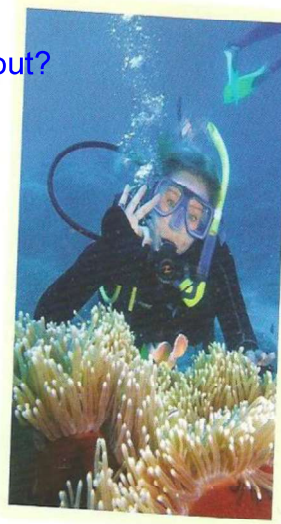

I've already been to Fraser Island, too. It is the world's largest sand island.

- Spending three days here is enough to see all the sights: swimming in the beautiful fresh lakes, trekking through the sub-tropical rainforest, spotting wildlife and learning about the fascinating history behind the island. (...)

Last, but not least, Cairns! While I was there I dived the incredible Barrier Reef and I went white water rafting down the Barron River. I haven't had a hot-air balloon ride yet, but that's definitely on my bucket list!

I am loving every minute of my experience, but I'm sure the next days will be even better. I haven't been to Sydney yet!
