## Future Innovations – WILL / WILL HAVE TO / WILL BE ABLE TO

Name: \_\_\_\_\_

Date: \_\_\_\_\_

---

### 1. Match the innovations with their definitions

1. self-driving car → \_\_\_\_\_
2. smart glasses → \_\_\_\_\_
3. delivery drone → \_\_\_\_\_
4. robot assistant → \_\_\_\_\_
5. electric plane → \_\_\_\_\_
6. virtual reality headset → \_\_\_\_\_
7. smart fridge → \_\_\_\_\_
8. flying taxi → \_\_\_\_\_
9. 3D printer → \_\_\_\_\_
10. solar panels → \_\_\_\_\_

- a. a machine that prints objects
  - b. glasses connected to the internet
  - c. a taxi that flies
  - d. a robot that helps people at home
  - e. a fridge connected to technology
  - f. transport without a driver
  - g. a device to enter a virtual world
  - h. technology that uses the sun for energy
  - i. a plane using electricity
  - j. a drone that transports packages
- 

### 2. Complete with WILL / WON'T

1. People \_\_\_\_\_ travel to Mars one day.
  2. Cars \_\_\_\_\_ use petrol in the future.
  3. Scientists \_\_\_\_\_ invent smarter robots.
  4. Humans \_\_\_\_\_ live forever.
  5. Schools \_\_\_\_\_ use more technology.
  6. We \_\_\_\_\_ need paper maps anymore.
- 

### 3. Complete with WILL HAVE TO or WILL BE ABLE TO

1. People \_\_\_\_\_ recycle more waste.

2. Doctors \_\_\_\_\_ use robots during operations.
  3. Cities \_\_\_\_\_ reduce pollution.
  4. Students \_\_\_\_\_ study from home with VR headsets.
  5. Countries \_\_\_\_\_ use renewable energy.
  6. Scientists \_\_\_\_\_ explore new planets.
  7. Humans \_\_\_\_\_ protect the planet.
  8. People \_\_\_\_\_ communicate instantly in all languages.
- 

#### 4. Choose the correct answer

1. Robots
    - a) will replacing
    - b) will replace
    - c) replace will
  2. People will have to
    - a) save energy
    - b) saving energy
    - c) saved energy
  3. Humans will be able to
    - a) flying cars
    - b) fly cars
    - c) flew cars
  4. Smart homes will
    - a) controls lights
    - b) controlling lights
    - c) control lights
  5. Students won't
    - a) uses books
    - b) use books
    - c) using books
- 

#### 5. Put the words in the correct order

1. people / to / will / travel / Mars

---

2. have to / humans / protect / will / nature

---

3. able to / doctors / will be / cure / diseases

---

4. use / schools / more technology / will

---

5. robots / cook / will / meals
- 
- 

### 6. Multiple choice – Future life

1. In the future, people will probably use...
    - a) flying taxis
    - b) horses
    - c) steam trains
  2. Smart houses will...
    - a) clean automatically
    - b) disappear
    - c) use candles
  3. Scientists will be able to...
    - a) explore space more easily
    - b) stop using computers
    - c) remove electricity
  4. To protect Earth, people will have to...
    - a) pollute more
    - b) recycle more
    - c) drive bigger cars
  5. Schools will probably...
    - a) use virtual reality
    - b) stop teaching science
    - c) remove technology
- 
- 

### 7. Reading comprehension

In 2080, technology will change everyday life. Many people will use self-driving cars and flying taxis. Homes will become smarter and robots will help families every day. Students will be able to study online with virtual reality headsets. People will have to use clean energy to protect the environment. Scientists also think humans will be able to travel to Mars.

#### Answer TRUE or FALSE

1. People will use flying taxis. \_\_\_\_\_
  2. Homes will become less technological. \_\_\_\_\_
  3. Robots will help families. \_\_\_\_\_
  4. Students will only study in classrooms. \_\_\_\_\_
  5. Humans will have to use clean energy. \_\_\_\_\_
  6. Scientists think humans will travel to Mars. \_\_\_\_\_
- 
- 

### 8. Vocabulary – Find the English words

1. une voiture volante → \_\_\_\_\_
2. un robot domestique → \_\_\_\_\_

3. l'intelligence artificielle → \_\_\_\_\_
  4. un casque de réalité virtuelle → \_\_\_\_\_
  5. les énergies renouvelables → \_\_\_\_\_
  6. un drone → \_\_\_\_\_
  7. une maison intelligente → \_\_\_\_\_
  8. une voiture électrique → \_\_\_\_\_
- 

### **REMEMBER!**

#### **WILL**

- People will live differently.

#### **WON'T**

- Cars won't use petrol.

#### **WILL HAVE TO**

- Humans will have to recycle more.

#### **WILL BE ABLE TO**

- Scientists will be able to explore space.
