

# Why is it important to learn English ?

First, English is an international language. It is the language we use to speak with people from other countries, so it is important to communicate with everyone.

Also, you can go abroad, talk to other people and make new friends.

It will be useful in our future: for example, to attend university or find a job abroad.

In our daily life, it helps us understand films and song lyrics in English.

That's why learning English is very important.
