However : cependant
Although : bien que
Finally : enfin

WRITE

Donne des conseils à un étudiant qui souhaite partir à l’étranger (en justifiant).
Utilise au moins 6 mots de liaison différents.

Here are **some tips** to be followed if you want to study abroad.

First, you **should** prepare your trip in advance **because** it will make everything easier.

Moreover, you **should** find accommodation and talk to local people **in order to** improve your English. **For example**, you **should** join a club or take part in activities.

Your teacher **might** give you **some advice**: you **should** discover the local culture and be open-minded. **I advise you to** make new friends, **because** it will be a great experience.

However, you **shouldn’t** spend all your time with other French people. You **shouldn’t** be afraid of making mistakes, **because** it is normal when learning a language.

Finally, you **should** enjoy your stay, **because** it will help you become more independent.
