Recap

Getting involved means ***taking action***, ***taking part*** or ***volunteering*** to ***support others*** and ***make a difference.***

We can support people in different ways: ***volunteer***, ***donate*** money, food or clothes, ***organise*** a fundraising event and ***support*** a charity.

We can support many people in need, for example homeless people, poor families, sick children or elderly people.

Small actions can change people's lives!
